Terms and Conditions

Players Club benefits and/or rates may not be combined with any other offer, discount, promotion, or special. The Players Club and its benefits are non-transferrable and are not valid with some group play, leagues and/or tournaments. Towhee Club is a public facility, therefore tee times are subject to availability, and certain time frames and/or days may be unavailable to Players Club play due to tournaments, groups, or events.

Towhee Club reserves the right to revoke, revise, or modify the Players Club program at anytime without prior notice. Players Club benefits are only applicable to the club member, not guests. Some limitations and exclusions may apply to merchandise discounts (Ex. golf balls) and Birdsong Social discounts. Players Club members must abide by all golf course policies and rules-refusal to do so may result in revocation of your pass without refund. Players Club benefits begin on the date of purchase, and expire one (1) year from date of purchase. Taxes are not included in the price.

Players Club members are required to cancel tee times no later than 24 hours in advance. Repeat non-cancellations will result in the termination of your Players Club membership.

I have read and agree to the Terms and Conditions of the Players Club program and hereby authorize Towhee Club to charge my credit card account for fees associated with this program for the 12-month term.
